

**Photography & filming & sound recording at the Birdshot Day  
11 September 2010**

Please be aware that photographs and video and sound recording will be taken during the course of the Birdshot Day. The main use for these pictures will be to publicise future Birdshot Days and help towards raising awareness of the eye condition and to promote the BUS/Moorfields partnership. It could include:

**1 Promotional material**

**2 Photo-archive library**

**3 Fundraising**

**4 Moorfields and BUS and Vision  
2020 (UK) website**

**5 Exhibition display**

**6 Moorfields intranet site**

**7 Educational training  
purposes**

The photographs / video footage / sound recording will be stored electronically and/or in hard copy.

**I understand the purpose of the photography / filming / audio being undertaken and agree to participate. I hereby give my consent:**
